Nanny was such a warm, thoughtful and caring delight to have in my life. Across the world I was so delighted to hear her voice and feel her love when we corresponded by phone and letter. My Mom (Angela) and I traveled to see her and my Grandad Tom back in 1991 and stayed with her and Tom at their home on Mill St. I am deeply saddened to hear of her passing and will cherish her and keep my memories of her in my heart forever.
