Note: [a)] 1841-Census: Wall End, Selsey, SussexnnBIOGRAPHY: According to her death certificate, the information on which seems pretty accurate, even though from her son Edward J, she was 77 years old at death and had been in Australia for 55 years. This means that she was in Aus about 4 years before she married, arriving in about 1847, and from her age at marriage, she should have been married in 1851 not 1852.nIt now appears that she married in January 1852, not May - this would account for the discrepancy.
